

You might be a *libertarian*

if...

- ...you believe that you can make decisions about how you want to live your life.
- ...you believe that letting the majority make the rules for everyone can be dangerous.
- ...you believe in questioning authority.
- ...you believe that nine out of ten politicians give the rest a bad name.
- ...you believe that liberty is progressive.
- ...you think government should get smaller, not larger.

If that sounds like you, flip over this card and find out more about the Campus Libertarians!
